 Primary Examiner, Art Unit 1793

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Inquired as to what the term "PPI" stands for in claim 10. Applicant's representative stated that the term is an abbreviation for the Spanish phrase "perdida por ignicion" which translated into English is "loss on ignition". Since the term "PPI" was not defined in the specification as originally filed, or in the foreign application on which the instant application is based, one of ordinary skill in the art wouldn't necessarily know what the term "PPI" represents and therefore said term will be deleted from claim 10 because any amendment to clarify the term would raise an issue of new matter.
